Principal’s foreword

Introduction

The school annual report outlines the reporting requirements for all state and non-state schools. It enables the school to communicate with the community in a different way. This report outlines progress and performance in a variety of areas including coverage of specific activities that the school harnesses to value-add to the education that students are receiving.

School progress towards its goals in 2010

During 2010 a focus on improving literacy and numeracy standards was maintained. Educational documents were reviewed and upgraded where necessary from the collection and then from the analysis of data. Positive pathways continue to be investigated and real life opportunities are given to students to encourage excellent outcomes.

Student attendance tracking continues to be maintained with investigation and implementation of new strategies to encourage 100% attendance at school.
Future outlook

2011 – School Improvement Priorities and Strategies.

The key areas for improvement are:

- Strong Leadership unrelenting focus on improvement.
- A shared commitment to core priorities.
- Quality curriculum and planning to improve learning.
- Teaching focused on the achievement on every student.
- Monitoring student progress and responding to learning needs.

Curriculum offerings

Our distinctive curriculum offerings
Middle Phase of Learning – “Options”, variety of experiences for year 6/7 with the secondary classes of Manual Arts and Home-Economics.
- Prep to 10 technology lessons.
- Year 7 transition program – linking to our secondary.
- Whole school intervention Program.
- Literacy and Numeracy support across our middle year classes (focus on NAPLAN preparation).
- BEACON program.
- Getting ready for Earning – VPG program.

Extra curricula activities
Student Council
Opti-minds program
Athletics, swimming and cross-country programs
Camps and excursions
Cultural and social activities
Options
PCAP related activities
Recycling Focus – Reduce, Reuse, and recycle aluminium.
Breakfast club
Human Relationships Education courses

How Information and Communication Technologies are used to assist learning
ICT classes start from Prep and continue into year 10. Specialist secondary staff also teach ICT lessons from Prep to Year 10. ICT is also offered as an Option for our years 6 – 10 classes. We believe information and communication technologies should be integrated into all curriculum areas to continue positive learning outcomes.

Social climate

Dimbulah State School prep – 10 strives provide an environment that is supportive of all students. We continue to create strong partnerships with alliances with community, industry, government departments, other educational institutions and agencies.

We are involved with the following programs:
Adopt-a cop
Adopt – an Ambo
School based Chaplain
Dimbulah Lions Club Festival program
Our school at a glance

Kindy transition
Year 7 to Year 8 transition from feeder primary schools
Links with Dimbulah Commerce and Shire Council.
Ties with local sporting clubs such as Soccer, Lawn Bowls, Tennis, Equestrian and Swimming.
Active support for Senior Citizens.
Indigenous Elder Support and Awareness Program
PCAP funded activities.

School Opinion Survey data indicates that Parents/caregivers are satisfied with the wellbeing of the children at school by 95%. Parents/Caregivers are also satisfied with their children’s school by 79%.51% of parents/caregivers were satisfied with the behaviour of students at the school but 74% were satisfied with the discipline in the school. 79% of parents and caregivers were satisfied that their child was treated fairly at the school. Parents/Caregivers were 100% satisfied that their child was safe at school.

Students were very satisfied with the behaviour of the students at the school and were very happy to go to Dimbulah State School.

Parent, student and teacher satisfaction with the school

Parents/Caregivers and Students are generally satisfied that students are receiving a good education at Dimbulah State School. Staff have identified that professional development needs to be tailored more to their needs to assist with improving student performance.

Involving parents in their child’s education.

Parents and Caregivers are invited and encouraged to visit the school to talk to teachers and be involved with their children in activities and to develop a good rapport and with relationship with teachers. Formal reporting and parent teacher interviews are held twice yearly. Organised oral reporting occurs in Term 1 and Term 3.

P&C committee is supportive of initiatives which improve student learning.

Social Functions are openly promoted by the school and parent and community involvement is encouraged.
Reducing the school’s environmental footprint

The environmental footprint of Dimbulah State School has been improved by installing solar panels to decrease the electricity usage of the school due to increased usage by the students of the computers. The school continues to recycle aluminium cans with the support of the community. Water usage has decreased with improved irrigation systems and use of tank water on gardens.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Rolls are marked twice a day and teachers follow-up with parents on a case by case basis for students who are absent. Administration is informed of any discrepancies and is followed up with parents and carers. Students are monitored on a case by case basis and referral to Guidance officers are implemented where necessary.
Achievement – Years 3, 5, 7, and 9

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the MySchool website at http://www.myschool.edu.au/

To access our NAPLAN results, click on the MySchool link above. You will then be taken to the My School website with the following ‘Find a school’ text box.

Find a school

Search by school name

Search by suburb, town or postcode

Where it says ‘Search by school name’, type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the Terms of Use and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school’s NAPLAN results.
Achievement – Closing the Gap

Dimbulah State School has met and or exceeded the 2012 system target for Year 3 Reading and Numeracy.

The school improvement in Closing the gap is a positive outcome, although there is a slight decline with the attendance of students.
