### Our school strategies are showing substantial progress toward our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

#### Prep –Y3 (2014) students at risk of not meeting the NMS (based on reading and PAT-M data)

- Additional Teacher Aide time (2 days per week) to facilitate One-on-One Reading Recovery (additional time with those <NMS)
- Building teacher aide capacity with reading (application into the classroom – Big 6)
- Monthly Prep parent workshops to focus on the explicit teaching of reading (Big 6 Focus – Anne Bayetto)
- Before school reading 5 days per week
- Engage parents and caregivers in establishing and implementing ILP for at risk students

#### Across the school and community

- Junior Adult Fiction Reading and Borrowing competition – High School
- Building teacher and teacher aide capacity in Reading Recovery and the explicit teaching of Vocabulary (sight words)
- Continued whole school focus – Spelling Mastery and Cars & Stars
- Building teacher capacity and consistency around explicit teaching, consolidations and essential classroom management through coaching and mentoring (Hattie, Fleming)
- Additional teacher aide allocation – SAR (Year 2-3)
- Fortnightly focus on home reading strategies, student success and upcoming workshops in school news letter
